CENTRAL FUNDING

4. The IIHC is planning to establish a CIRS central funding arrangement where by dollars will be made available to support CIRS related costs which are beyond those budgeted for by individual agencies or which are considered of common concern. The fund will be an IIHC budget line item under IIHC control. A central funding decision paper will be published in mid January 1983.

MILESTONES AND BUDGET

 A CIRS system milestone paper was distributed (see 	
Attachment C). noted that a more detailed version	25X1
was being prepared to serve as the basis for detailed	
implementation plans and subsequent budget submissions.	25X1
asked each member to review their respective agency CIRS	25X1
activities for the FY85 period and present an estimate of their	
unfunded FY85 CIRS costs at the next CIRS/P&PG meeting. These	
figures will be aggregated to form the FY85 IIHC/CIRS budget lir	1e
item.	

INITIATIVES AND CONTRACTOR SUPPORT

6. A chart depicting CIRS FY82-84 initiatives was reviewed (see Attachment D). Most of the dollars have already been targeted but suggestions are welcome. The detailed work of these initiatives will be accomplished via IIHC contractor support (the current contract is with MITRE Corp.).

CONCEPT CODES

7. A brief discussion regarding standardization of document retrieval concept codes followed (see Attachment E). The discussion ended will all participants agreeing that more study is required before strategy in this area can be mapped out.

SECURITY

8. Both reviewed project 25X1 activity to date in the area of security. Since the 1990 system
